Objective

My objective is to find a position that both challenges me and allows me to continue to tell stories through various forms of media.

Experience

2019 - present

Chicago White Sox - Scoreboard Operations

I work for the White Sox scoreboard broadcasts in several different roles.

Typically I serve as a replay operator, but have also worked as a camera utility, been responsible for stats on the left and right field videoboards, and as a robocam editor.

2019 - present

NCAA - Extern - Digital & Social Media

As a freshman I was able to co-produce a daily morning studio show covering the NCAA Women's Basketball Tournament called 'Tourney Watch', which received over 500 thousand views on all platforms combined and featured 20+ interviews with players, coaches, and ESPN personalities.

I now serve as an extern producing content for NCAA social channels.

2019 - present

Ball State Sports Link

With Sports Link I have been able to work on live broadcasts of many sporting events and studio shows on the ESPN3 and ESPN+ platforms. I have served as a camera operator, A1, TOC, and replay operator. Also, I have been able to edit stories, features, and other creative projects through Sports Link.
